PRODUCTION

WEBSHOTZ[®]

Take advantage of our new,
great value video webshotz service

FOR ONLY £400 *
excl. VAT

Just one minute of video on your website
can bring you new customers. Tell potential
and existing clients your latest company news,
developments and offers in person, so they can
get to know you and your business by seeing for themselves.

* Terms and conditions apply

WEBSHOTZ brings video production down to a cost you can't afford to ignore.

Aimed at small businesses that would benefit from including video on their website to increase customer awareness and search engine ratings.

IT'S A FACT that up to one minute of video on your website can bring you new customers.

IT'S A FACT that it gives your products and services more exposure and keeps you in the top ratings of search engines when combined with SEO.

IT'S A FACT that you are about 53 times more likely to be found by potential customers who are looking for products or services you offer but are presently unaware of your company.

IT'S A FACT that it gives you the edge over your competition.

Don't just tell potential and existing clients your latest company news, products, developments and offers - show them!

One minute of professionally produced video, encoded and ready to publish to your website for only £300*.

WebShotz cost far less than a mail shot and is so much more effective.

Can you really afford not to try a Take One WebShotz?
